

The Transformative Advisor™ Webinar Series

Session 3: Enhancing Performance: Transforming Clients through Strategic Advisory Work

During the third part of this four-part webinar series, Tom Uva (Practice Leader - Management Consulting Services at Elliott Davis) will survey 5 key areas of operational advisory: Business Optimization, Technology Advisory, Business Strategy, Turnaround/Recovery, and Project Management, providing best practices for each area of advisory and practical ways you can begin working with your clients in these areas immediately.

During this session you will learn:

- Overview of 5 key operational disciplines
- Best Practices for Folding Operational Advisory into Your Practice, Including Industry Trends
- Practical Ways to Begin Providing Operational Consulting Now
